Lighting Collection

Stéphane Davidts

Lighting Collection

The prestigious competences in our workshops in Brussels

Hand made...

Creator of exclusive lighting, Stéphane DAVIDTS is recognized for the excellence of his lighting designs which include floor and table lamps, wall lamps, reading lamps, painting lights and spotlights.
Pure, distinctive design and timeless style.

The key to the success of Stéphane DAVIDTS is the creation of designs in line with customer demand coupled with complete control of the manufacturing process and the meticulous selection of high grade raw materials.

In his workshops, Stéphane DAVIDTS has surrounded himself with a team of craftsmen who are masters of traditional and modern metal working techniques, resulting in a superior precision finished product.

All fixtures are made of brass which is the ideal foundation for the finest metal finishes. The application of the patina brushed bronze, light bronze and brushed chrome and brushed brass give the Lighting Collection a most contemporary look.

The lampshades are also “handmade” in Belgium which provides a uniquely decorative key to the lighting collection. Stéphane DAVIDTS integrates the extensive range of lampshade materials and colours with subtlety and style.

The Stéphane DAVIDTS product purchased by you will give a great deal of pleasure to behold and will remain an excellent choice for many years to come.

These are the considerable strengths of the Stéphane DAVIDTS Lighting Collection, 100% Made in Belgium and highly appreciated around the world by demanding customers, professional decorators and interior designers.

MOSQUITO NET

For round, square, rectangular or oval lampshades

The mosquito net can be placed on all lampshades with a suspension.
For bases KENTIKA E27 and KENTIKA NOURRICE (page 51), a lampshade Ø 60 cm is the maximum size for an easy placement.

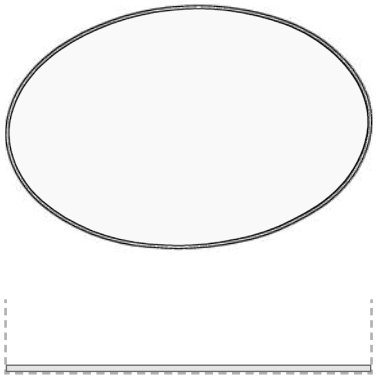

Use an integral diffuser for a maximal efficiency of the mosquito net

DIFFUSERS FOR LAMPSHADES

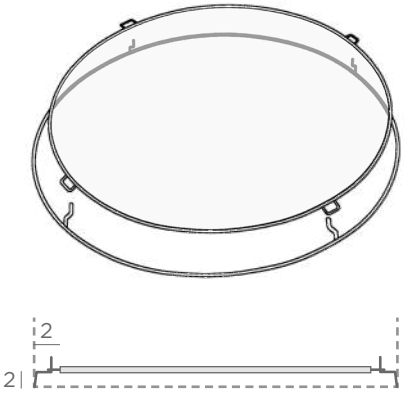

INTEGRAL DIFFUSER

Position in the lampshade

The integral diffuser fits only on cylindrical lampshades (round, square, rectangular or oval)

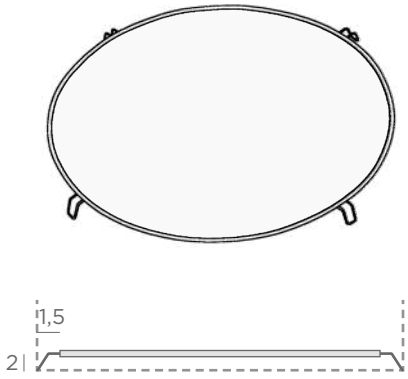

DIFFUSER WITH EYELETS

Position in the lampshade

The diffuser with eyelets is available for all lampshades (round, square, rectangular or oval)

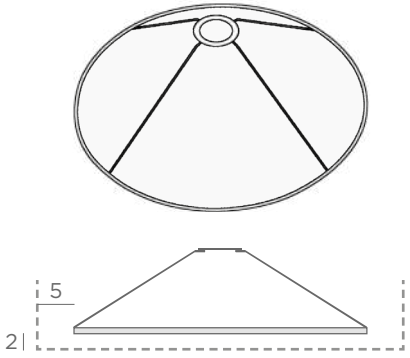

DIFFUSER WITH HOOKS

Position in the lampshade

The diffuser with hooks is available for lampshades with a maximum size of Ø 60 cm (round, square, rectangular or oval)

DIFFUSER WITH ATTACHMENT

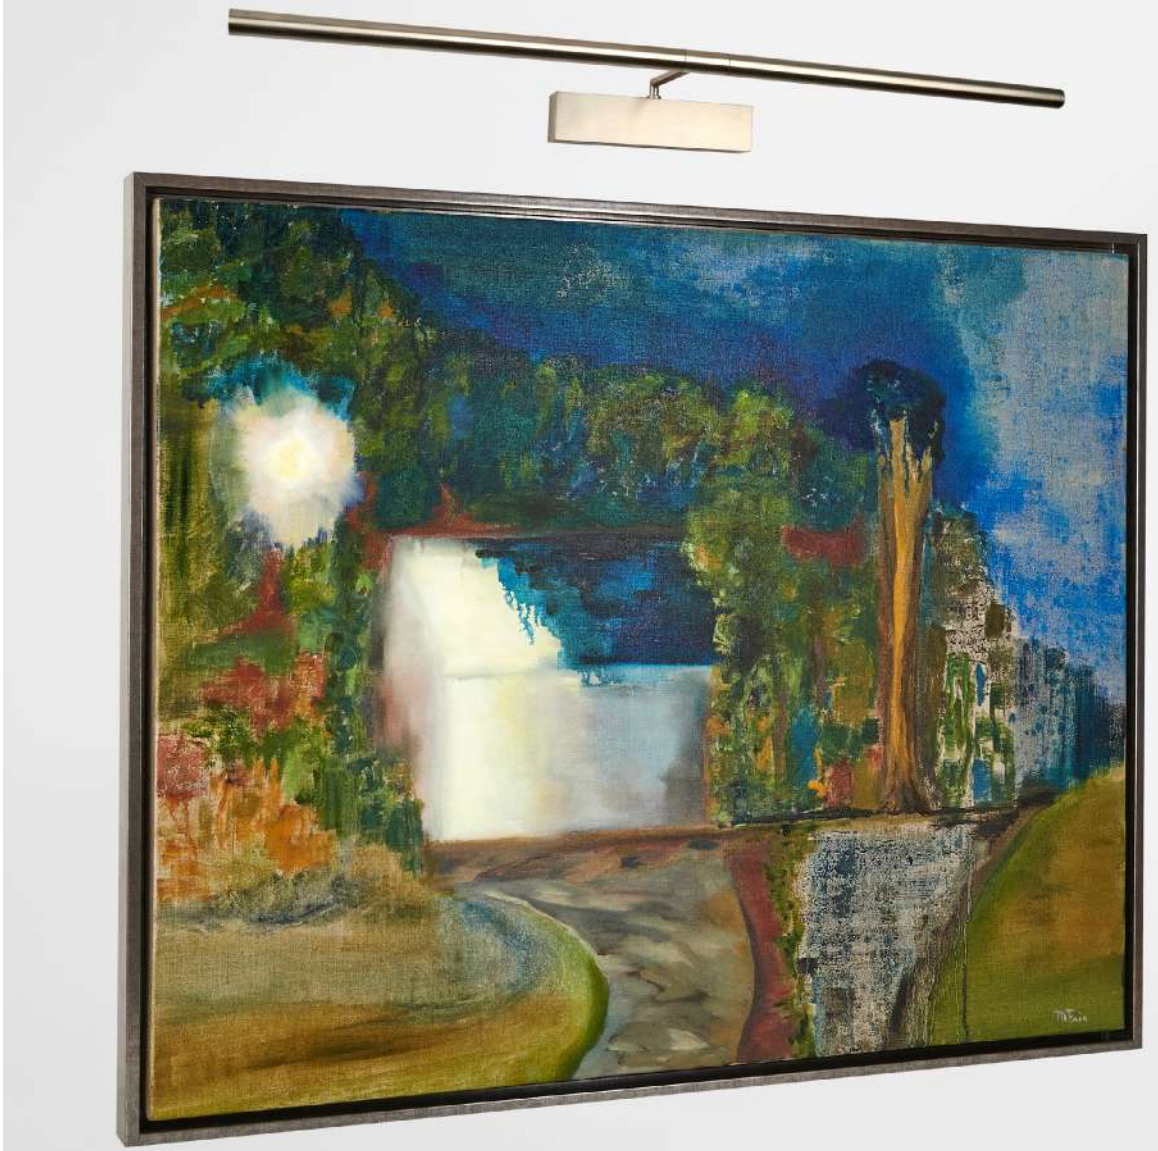

Position in the lampshade

The diffuser with attachment is available for all lampshades (round, square, rectangular or oval)
This diffuser is not available to use with KENTIKA bases

ARMS WITH FITTING FOR A LAMPSHADE

READING LED 1W

SWITCHES & BUTTONS

ELECTRICAL SYSTEMS

Standard - Dali - Home automation system

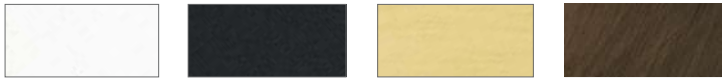

PLUGS

DISCRETE PLATE CLOSURES

METAL FINISHES

READING LAMPS FOR HEADBOARD

CUSTOM MADE FOR HOTELS
MINIMUM OF 12 PIECES

 Push switch

 Push button

 Flat push button

Standard - Dali - Home automation system

 CE socket outlet with earthing pin

Screw covers in the same finish as the metal 

For example this reading wall lamp is composed of :

Plate in brass : 75x250x3mm
Metal finish : brushed bronze
Arm : square profile
E27 fitting with ring
Lampshade Ø16-16-14cm
Fabric : Coton Pirée
Flex 30 cm + spotlight
+ LED 1W 119lm
Driver 14-230V - 350mA
Colour of the temperature :
2700°K

Three push buttons :
- one for the lampshade
- one for the LED spot
- one for the entire/part room

Designed for home automation system
CE socket outlet
USB port
Screw covers

Custom made plate/29

Materials & colors for lampshades

Our lampshades are available in a range of trendy colors and various materials. A significant added advantage of this “Made in Belgium” collection, which will be greatly appreciated by professional interiors designers.

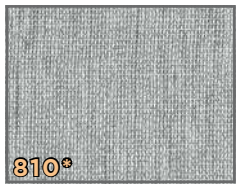

Our wide range allows you to easily match the lampshades with any type of interior.

The lampshade code (4 digits) indicated under each luminaire with lampshade must be completed by the fabric code (3 digits) taken from each fabric sample.

Codes from 0 to 4 refer to five price categories listed in our price list.
